

Dummy Head Roping – Mini Division

A Bones dummy will be used. There is no time limit, as it is not a timed event, but scored on points.

Points system will be as follows:

Horn catch – 3 points

Half head catch – 2 points

Neck catch – 1 point

A miss and/or a full body catch will result in 0 points.

Stepping across the board will also result in 0 points.

Each contestant will be able to rope 3 times, a perfect score is a total of 9 points.

In case of a tie a “rope off” will be used to determine payout only (not event standings points).

A rope off will consist of the Bones being moved further away from the board until we determine a winner.

Goat tail Untying-Objective: For the contestant to run across the start line, run to where a goat is tethered, remove a ribbon from the goat and run back across the line. All done on foot, no horse.

Contestants must cross the finish line with ribbon in hand.

The goat will be held by a goat handler facing the starting point until the start line flagger flags the start of the time. The goat handler will then release the goat and step back out of the way.

Time runs from the time the start line flagger drops the flag starting the time until the judge drops the flag as the contestant crosses the finish line.
